Chief District Agriculture Officer,
Angul

Scope of Work:

The selected SHG will undertake establishment of bio-input production unit at cluster level and sensitize the registered farmers, on use of recommended bio- inputs for higher yield in production of indigenous paddy. SHGs will be selected at cluster level (for 5 number of clusters, 1 no SHG will be selected) to supply locally prepared bio-inputs such as FYM/ Compost, Vermi-compost, City-compost, Jeevamrutham, Handikhata, Neemastra etc. CBO selected for that Block will facilitate the SHGs in execution of the programme. The selected CBO will provide training to the SHGs for preparation of the bio-inputs products along with that they will be trained by reputed institutions inside and outside of the State.

Process of Selection of SHG at Cluster Level

For 5 no of cluster, 1 no of SHG will be selected for establishment of Bio-input production unit under the programme "Promotion of Indigenous aromatic and non-aromatic paddy with export potential/ local market". Advertisement of Expression of Interest is to be published /notified by the CDAO of the district concerned for a period of at least 15 days. SHG applications are received at block level, Scrutiny of documents, field verification and short listing of SHG will be done by Block Level Committee:

Block Level Committee

The Block Level Committee is formed with the following members.

- a) Block Development Officer–Chairman
- b) Block Agriculture Officer/ Assistant Agriculture Officer–Convener
- c) Assistant Agriculture Engineer -Member
- d) CDPO-Member
- e) BPM, OLM-Member

Any other member as desired by the chair

- The Block Level Committee shall be convened within 5 days on receipt of the proposal from the SHGs.
- BAO/ AAO shall prepare a list based on the received Expression of Interest and place it before the Block Level Committee.
- The Block Level Committee shall examine the proposal of SHGs considering the feasibility of the proposed agri-ventures with respect to adequate availability of raw materials, financial viability, and marketing.
- The Block Level Committee will examine the list on a case-to-case basis and suitable SHGs will be recommended to the District Level Committee.
- Preference should be given to the SHGs those are working inside Clusters of the Block.
- The District Level Committee shall be convened within 15 days on receipt of the proposal from Block Level Committee.
- The District Level Committee will examine the recommendations of the Block Level Committee and approve suitable SHGs as per requirement of different cluster.
- The CDAO shall furnish the approved list of SHGs along with the respective agri-venture unit to the Directorate of Agriculture and Food Production.

Common minimum criteria for selection of SHG under any specified key activity:

- SHG must be registered under any appropriate authority.
- SHG should be interested to be involved with the project activities and should submit a letter of intent along with resolution to CDAO.
- The SHG should have minimum land & infrastructure required for establishment of Bio-input Production Unit. The land details to be furnished with application.
- If the required land/ building do not stand recorded in the name of the SHG, the land/ building recorded in the name of any member of the SHG to be considered. In such a case, there will be an unregistered agreement for a period of 5 years on Rs.100/- , non-judicial stamp paper between the land and building owing member and the concerned SHG. This will be passed through or recorded a general meeting resolution of the SHG.
- Must have completed at least 1year of existence.
- The SHG must not defunct or defaulter from the Bank loan.
- SHG must have regular in filing mandatory compliances, return, and reports submission as per norm.
- SHG must have an active bank account with regular monthly savings by members.
- SHG must be regular in systematic book keeping such as Meeting Register, Cash-book and other mandatory documents.
- Preference may be given to the SHG having prior experience working with farmers.

Specific criteria for establishing Bio-input units

- The Bio-input unit shall be run or managed by SHG.
- The unit should be established based on easy access to biomass, required raw materials like cow dung, cow urine and forest nearby.
- They should engage in creating diversity also with planting activities of required plant commonly used for bio-manure and bio-pesticide preparations.
- The SHG must have a storage place.
- The SHG shall be responsible for the complete mobilizing community and delivery services for Bio-inputs as suggested in the programme.
- Preference should be given to the SHGs having prior experience in production & marketing of bio-inputs.

Execution

- The SHGs for establishment of bio-inputs unit will be selected through EoI Process by the CDAO of the concerned district with the help of selected CBO & SLSA.
- The SHGs have to provide minimum 5 years of service to the farmers after fully functioning of the bio-inputs unit.
- The SLSA will prepare a Detail Project Report (DPR) for the establishment of bio-inputs unit (Vermi Compost) in consultation with the Agriculture Engineer, concerned CBO, SHGs & local progressive farmers of that cluster.
- After preparation of the DPR, it will be submitted before the District Level Monitoring Committee held under the Chairmanship of Collector & District Magistrate for approval. The committee may accept or suggest necessary modifications to the DPR.
- After approval of the DPR, a go-ahead letter will be issued to the SHG for establishment of bio-inputs unit.
- No subsidy will be paid on the cost of land. The land on which the unit is proposed to be set up should be in the name of SHG/ leased for minimum 5 years in the office of the concerned sub-register.
- An amount of Rs.1.50 Lakh will be utilized for establishment of bio-input production unit by the SHG.
- The fund will be transferred to the selected SHGs in 3 installments.50% of the total project cost will be released as inception cost.
- Next 40%of the project cost will be released to the SHG based on the recommendation report of the Joint team. The Joint team consists of concerned Executive Engineer (Agril.), ADO & SLSA. The joint team will verify the vermi-compost unit and recommend it accordingly.
- After completion of the project, the joint team will verify & furnish a project completion report as per the approved DPR to the CDAO for release of the rest 10% of the project cost.
- Expenditure may vary as per actual. Additional expenditure for establishment if any will be borne by SHG.
- In every 3 Months, the Executive Engineer (Agril.) and the concerned Agriculture District Officer of the district will submit a verification report regarding proper functioning of the bio-inputs unit as per the approved DPR to the DLMC.
- The concerned AAO of the block will draw samples (2 nos every year) from the bio-inputs produced by the SHGs and will be sent the organic fertilizer testing laboratory, BBSR for quality check. The testing fees will be collected from the concerned SHG.
- If any deviation is found, the DLMC will impose a penalty against the SHG and the total project cost may be recovered from the SHG.

Indicative Budget for Bio-input production unit

Sl.No	Details	Total Amount (Rs)
1	Cost of Establishment of 1 Bio-input (vermi-compost) production unit (8 x 4 x 2.5ft) with shed	120000
	Break up:	
a.	Vermi-compost (1 permanent unit) @ Rs.1,00,000 (including cost of material and labour	65000
b.	Cost of Shed	50000
	Cost of vermi worms (Lump sum)	5000
	Total	120000
2	Cost of packaging material – LS	10000
3	Cost of Fork, basket, spades, shovels, buckets, local carrying basket, shed materials etc as per requirement – LS	10000
4	Training to the members of WSHG	10000
	Total	150000
	Working capital to be contributed by the SHG	50000
	Total Estimated Cost	200000

N.B. There shall be inter-component flexibility within the total financial limit subject to justification.

Evaluation of Technical Proposal:

Sl. No	Category	Sub-Criteria	Weightage	Maximum Possible Score
1	Activities conducted on applied Block (with documentary proof) -	For more than 2 years	10	10
		For less than 2 years	5	
2	Working with any CBO/ Support Agency in any project (with documentary proof)	Yes	10	10
		No	5	
3	SHG working with any CBO/ Support Agency in any project (with documentary proof)	For more than 2 years	10	10
		For less than 2 years	5	
4	Participated with any Govt. department	Yes	10	10
		No	5	
5	SHG having registered beneficiaries/ members	More than 100 members	10	10
		50- 90	7	
		20-50	5	
6	SHG having Bio-inputs production experience (with documentary proof)	Yes	10	10
		No	5	
TOTAL				60

The highest score secured by the agency will be selected as SHG for the concerned block.

Annexure-A

Details of the SHG:

1. Introduction

- a) Name of the organization–
- b) Registered office address of the organization–

- Complete Address:
- Mail:
- Landline:

c) Contact Person

- Name –
- Designation/Title –
- Telephone No- Landline–
- Mobile –Email–

Address of Contact Person, if different from(c)–

2. Identity/Legal Status

- Is organization registered- Yes No
- If yes, Under Society/Co-Operative Act- Yes No
- Year of registration–
- Since how long it is operational in the Blocks (No. of years)–
- Whether it is registered under Income Tax- Yes No

3. Governance

- i. Give details of Members (current status)–

Sl.No	Name	Address	Gender	Occupation	Position/ Designation	Educational Qualification

4. Financial Management

- Whether audit by external auditors (Yes/No)
- What financial statements are prepared at organization–Balance sheet
- Profit & Loss account

Attach Balance Sheet and annual reports and IT return for the year 2021-22

What are sources of fund for the organization Corpus-(Yes/No)

Govt. Grant-(Yes/No)

Donor/ Partner's grant-(Yes/No) Others (if other, please specify) –

Financial Year	Turnover from Professional Services	Turnover from other Activities	Total Turnover	Income tax return filed (yes/no)
2021-22				

5. Work Experience

a. Block proposed for the program

District Name	Block Name

b. Key Focus areas of work of the organization for last years in proposed block

District Name	Block Name	Focus Area	No of years of experience	Coverage(No of Acres)	Partner Agency (Govt./Donor/ NABARD etc)

C. Experience in Bio-Inputs production under Department of Agriculture and Farmers Empowerment of Govt. of Odisha:

Briefly describe:

District Name	Block Name	Year	Project Name/ Partner Agency	No of years of experience	Bio-Inputs Production (In MT)

d. Experience in Production of Bio-Inputs with Government Departments

District Name	Block Name	Year	Project Name/ Partner Agency	Bio-Inputs Production (In MT)	No Of years of experience

e. Experience in Production of Bio-Inputs

Sl. No	Component	Year	Production (MT)	
1	Production	2022-23		
		2021-22		
		2020-21		
			Quantity in MT	Total Turnover (Rs.)
2	Marketing	2022-23		
		2021-22		
		2020-21		

F. Please mention the proposed villages and area coverage envisaged for the Project?

Block Name	Gram Panchayat Name	Village Name	Years of work experience in the proposed (GP and Villages)

This is to certify that the information given above are true to the best of my knowledge and believe.
